Gloves	2
Cleaning and Disinfecting Products	3
Masks	5
Eye, Face and Body Protection	9

The Personal Protective Equipment (PPE) market fluctuates constantly in response to changes in the global pandemic response, production and demand. The prices listed in this catalog reflect our best pricing at this moment in time. Please keep in mind that actual pricing may vary, but, whatever the market, we promise to provide the best possible pricing for the highest quality equipment. After all, lives depend on it.

Together we will beat this virus.
